Our Accessibility goal

AmeriHome Mortgage Company, LLC (“AmeriHome”) has an ongoing commitment towards achieving the highest levels of customer satisfaction when interfacing with the public. As part of these efforts, AmeriHome is dedicated to offering a quality online experience at its website www.amerihome.com (our “Website”) to those with disabilities. We intend this online experience to be full and equal to the browsing experience provided to those without disabilities. We want everyone who visits www.amerihome.com to feel welcome and find the experience productive.

How are we achieving this?

To assist in achieving this accessibility goal for our Website, AmeriHome is committed to ensuring that our Website is designed, developed, and operated in substantial conformance with generally-recognized and accepted guidelines and/or standards for website accessibility (the “Standard”). While these Standards may change or evolve over time, the current target Standard is the World Wide Web Consortium’s Web Content Accessibility Guidelines 2.0 at Level AA (“WCAG 2.0”).

AmeriHome is continuing to take the steps necessary to achieve substantial conformance with WCAG 2.0 AA. We monitor the Website regularly to maintain this Standard, but if you do find any problems, please get in touch with us at ConsumerSupport@amerihome.com or 888-469-0810.
